

COMMUNITY IMPACT STRATEGY

Turn Your Vision for a Stronger Community into a Clear, Actionable Plan

We help mission-driven organizations understand their communities, assess needs and assets, and develop practical strategies to create lasting impact.

UNDERSTAND YOUR COMMUNITY

Gain a clear, data-driven snapshot of the people, places and opportunities around you.

IDENTIFY NEEDS AND OPPORTUNITIES

Listen to residents, stakeholders, and others to uncover real needs, existing assets and emerging opportunities.

DEVELOP A STRATEGY

Turn insight into action with a customized plan that fits your mission, resources and community.

POSITION FOR FUNDING

Create a data-driven plan with impact measures that funders want to fund.

BUILD IT OUT

Build the structure, partnerships, and resources to implement and measure.

A CLEAR PROCESS. AN ACTIONABLE PLAN.

Our proven process guides you from insight to implementation — helping you move from good intentions to measurable impact.

GET CLARITY ON:

- ✓ Who is in our community and what are the real needs?
- ✓ What are our hidden assets?
- ✓ How can we make the biggest difference with what we have?
- ✓ What should we focus on first?
- ✓ What does success look like?
